

Canadian Institute of Applied AI (CIAI)

2026–2027 Course Schedule

Professional AI Training & Workforce Development · Toronto, Ontario · Established 2024

The current schedule reflects CIAI’s established certification pathway, stronger continuity across programs, and more advanced applied AI capabilities for business teams and leaders.

Curriculum emphasis

- Consistent four-level certification pathway
- Applied business AI and automation
- Internal assistants and knowledge workflows
- Executive governance and transformation planning
